Notice is hereby given that your payment of school, county and municipal tax is due by 12/01/2021 and June 01, 2022. Interest will be charged on unpaid taxes at an annual rate of 6% beginning December 2, 2021 and June 2, 2022. As per State Statute, the ownership and taxable valuation of all real estate and personal property subject to taxation shall be fixed as of April 1st of each year. PLEASE NOTE: If you sell this property before the taxes are paid in full, it is your responsibility to forward this bill to the new owner. If your taxes are held in escrow by a third party, it is necessary to forward this bill to them for payment.

Without state aid to education, homestead and BETE exemptions/reimbursements, and state revenue sharing, your tax bill would have been 38% higher. All taxes delinquent as of June 30, 2022 will be published in the Annual Report and are further subject to lien in August 2022. **ASK ABOUT JOINING THE TAX CLUB!**
