**Mission Statement:**

Thomaston Main Street is a non-profit organization with a mission to support the business, cultural, entertainment and social needs of the individuals who live, work, shop, and experience our Main Street Community.

**Program Statement:**

Thomaston Main Street is committed to creating a space of shared prosperity and equal access to opportunity throughout our Main Street. We realize that a comprehensive strategy designed and implemented by local merchants and residents involving incremental changes is what brings substantive change over time.
