

Thomaston's 250th Anniversary Committee Seeks Members

In 2027 Thomaston will be turning 250 years old, and we are getting ready for a full year of celebration that will honor our history, our people, and our community spirit!

We welcome anyone who wants to take part in shaping this milestone year. Bring your ideas, your creativity, your fundraising or marketing experience, or simply your enthusiasm for Thomaston! Whether you can give a little time or a lot, we can find a role that works for you. All ideas are welcome. We hope to build on beloved traditions and explore new events that showcase everything that makes our town special.

This ad hoc committee has been authorized by the Select Board and will sunset on January 31, 2028. It is a finite commitment with a clear purpose. Help us set the stage for a once-in-a-generation celebration!

Join us for a lively brainstorming and information session on Monday, January 5th at 6pm in the Thomaston Academy Building - Second floor meeting room at 60 Main Street. Questions can be emailed to krdriguez@thomastonmaine.gov or visit the Town website for additional information and an application to become a committee member. The application can also be found on the last page of the newsletter.
