

# **DOG REGISTRATION NOTICE**

The State of Maine has implemented a new dog registration program. We are finding that it takes between 30-45 minutes per dog registration with the new system. Because of this, we are changing our dog registration process for this year.

## **When you come to the office to register your dog, we will:**

- Make a copy of any paperwork you provide – please note:
  - Rabies paperwork must include the date of rabies vaccination and when it expires, manufacturer name, and serial number
  - Microchip paperwork must include the microchip number and manufacturer name
- Process your payment
- Provide you with a receipt
- Send your dog license tag once the registration has been completed in the new system

We appreciate your understanding as we navigate this change as efficiently as possible. As always, please feel free to call the Town Office 207-354-6107 with any questions or concerns.

**THANK YOU!!**
